

Ritchey Science & Engineering Fair (SEF)

Senior Fair (grades 9-12) Awards

Unlock Your Potential:

Win up to \$1,000 for Your Science or Engineering Project!

Attention High School Innovators! Are you ready to take your passion for science to the next level? We've got exciting news for you! The Ritchey Science & Engineering Fair is back, and this year, we're offering new awards for outstanding projects.

Ritchey SEF Senior Fair: 15 March 2024. Mark your calendars now!

Fuel Your Curiosity:

Explore, Experiment, Excel: This is your chance to dive into your favorite scientific or engineering topic and uncover the secrets of the universe. What have you always wondered about? What problems are you eager to solve?

The \$1,000 Challenge:

Imagine receiving up to \$1,000 to bring your innovative ideas to life! With our new awards, your hard work could pay off in a big way. That's a new laptop, a scientific expedition, or funds for your dream project.

Cash Prizes and Scholarships:

In addition to the exciting new awards this year, winners in each category have more to look forward to! 1st, 2nd, and 3rd-place winners will not only receive cash prizes but also scholarships to Weber State University. Exceptional projects will also be recognized by awards from the Navy & Air Force, NASA, Aerospace Industry, the Regeneron International Science & Engineering Fair, and more...

Unleash Your Creativity:

Science is not just textbooks and formulas; it's about discovery, innovation, and making a difference in the world. With your unique perspective, you can change the game.

Important Dates:

Student Registration: Begins 1 February 2024 and ends 29 February 2024

Ritchey Science & Engineering Fair Senior Division & Awards Ceremony: 15 March 2024

How to Participate:

Visit <https://ritchey.zfairs.com> to learn more, or contact sciencefair@weber.edu.

Don't miss out on this incredible opportunity!

Your journey starts now! It's time to push the boundaries of what you know and what you can achieve. Will you be our first \$1,000 winner?
