

*Chemistry ought
to be not for
chemists alone.*

— Miguel de Unamuno

**WEBER STATE
UNIVERSITY**

College of Science

— DEPARTMENT OF —
**CHEMISTRY AND
BIOCHEMISTRY**

Top 5 Reasons to Study Chemistry at WSU

- 1 Chemistry is helping find the solution to questions we ask about the world around us
- 2 Study alongside professors who have great teaching and communication skills
- 3 Work side by side with professors on chemical research
- 4 Gain hands-on experience with modern instruments
- 5 Prepare for a career in chemistry, biochemistry, medicine, or chemical technology
